PATIENT NAME: _____

DOB: _____

DATE: _____

Asthma Control Test™ is:

- A test for people with asthma 12 years and older – it provides a numerical score to help assess asthma control.
- Recognized by the National Institutes of Health (NIH) in its 2007 asthma guidelines.¹
- Clinically validated against specialist assessment with spirometry.²

PATIENTS:

- Write the number of each answer in the score box provided
- Add up the score boxes to get the TOTAL.
- Discuss your results with your healthcare provider.

1. In the past 4 weeks, how much of the time did your asthma keep you from getting as much done at work, school or at home? **SCORE**

All of the time	☐	Most of the time	☐	Some of the time	☐	A little of the time	☐	None of the time	☐	
-----------------	-----------------------	------------------	-----------------------	------------------	-----------------------	----------------------	-----------------------	------------------	-----------------------	----------------------

2. During the past 4 weeks, how often have you had shortness of breath?

More than once a day	☐	Once a day	☐	3 to 6 times a week	☐	Once or twice a week	☐	Not at all	☐	
----------------------	-----------------------	------------	-----------------------	---------------------	-----------------------	----------------------	-----------------------	------------	-----------------------	----------------------

3. During the past 4 weeks, how often did your asthma symptoms (wheezing, coughing, shortness of breath, chest tightness or pain) wake you up at night or earlier than usual in the morning?

4 or more Nights a week	☐	2 to 3 nights A week	☐	Once a week	☐	Once Or twice	☐	Not at all	☐	
-------------------------	-----------------------	----------------------	-----------------------	-------------	-----------------------	---------------	-----------------------	------------	-----------------------	----------------------

4. During the past 4 weeks, how often have you used your rescue inhaler or nebulizer medication (such Albuterol)?

3 or more Times per day	☐	1 or 2 times Per day	☐	2 or 3 times Per week	☐	Once a week Or less	☐	Not at all	☐	
-------------------------	-----------------------	----------------------	-----------------------	-----------------------	-----------------------	---------------------	-----------------------	------------	-----------------------	----------------------

5. How would you rate your asthma control during the past 4 weeks?

Not controlled At all	☐	Poorly controlled	☐	Somewhat controlled	☐	Well controlled	☐	Completely controlled	☐	
-----------------------	-----------------------	-------------------	-----------------------	---------------------	-----------------------	-----------------	-----------------------	-----------------------	-----------------------	----------------------

- If your score is 19 or less, your asthma may not be as well controlled.
- If your score is 15 or less, this may be an indication that your asthma is very poorly controlled.
